

**WA SOLAR  
RECYCLING**

# Port Headland Drop Zone

1. This is a free Service – please read the following and respect the requirements
2. Minimum height of panels and pallet is 1m (we are charged by the pallet so anything less becomes very expensive on our end) the preference would be pallets stacked around the 1.5ish meter mark.
3. All panels need to be strapped securely to a pallet.
4. Page 2 of this document needs to be printed and attached to each pallet.
5. **BOOKING NEEDS TO BE MADE (Yard not attended)**  
Call CTI Logistics (08) 9479 2555  
Book a time to deliver them to the yard.  
You will need:  
The amount of pallets you are dropping  
The account number - 30536.
